ITI LIMITED

(A Government of India Undertaking)

Total Solutions for Global Communications

ITI holds 66th AGM, avow growth opportunities on revival strategies

The 66th Annual General Meeting of the members of ITI Limited was held on Wednesday, 21st September 2016 at Tamil Sangam, Bangalore. Shri. P K Gupta, CMD while welcoming the members gave an overview of financial performance of the Company for the year 2015-16. He impressed upon the shareholders that for the financial year 2015-16, Company has achieved turnover of Rs. 1253 Crore which is more than double of previous year, recording a profit of Rs.251 Crores which is positive signal towards revival of the Company.

He further shared that the Government of India has approved ITI's Revival Plan with the financial package of Rs. 4156 Crore. This package consists of Rs. 2264 Crore towards up-gradation of manufacturing infrastructure and implementation of new projects in all the plants of ITI. ITI has prepared the necessary road maps for implementation of projects under the

Revival Plan with due approval of DoT and the same is being implemented.

He further stated in the year 2015-16, not only the performance improved by two fold but ITI has also been winning open tenders. ITI competed in the open tender of BBNL for GPON and won this tender. ITI has participated with C-DoT technology and received an order worth Rs. 206.40 Crore. ITI has won two more tenders in the open competition. ITI was L1 in NMS Broadband Tender of BSNL and bagged an order worth Rs. 42 Crore. On the Defence business front, ITI has addressed the mega tender of ASCON phase IV worth more than Rs. 5000 Crore.

ITI is also committed to the major initiatives of Government of India such as 'Make In India', 'Digital India' and projects on 'Smart City' which are expected to unfold numerous business opportunities in the near future. Under the Digital India initiative, ITI has ventured into business of

Digital Wallet, which is Digital cash on Mobile/ Tablet/Kiosk/PC and hosted in our Data Centre. ITI is providing ADHAAR authentication services by playing the role of Authentication for User Service. ITI has been appointed as one of the four Nodal Agencies by Government of Uttarkhand to

undertake various IT projects like WiFi infrastructure, Video conferencing infrastructure and other e-Governance related services. ITI is focusing on IoT and Smart City projects to enhance the revenue streams.

Turnover of ITI increases in 2nd Quarter of FY 2016-17

The 2nd Quarter for this Fiscal year ended September 2016 has shown the trends for growth, Company has achieved the turnover of Rs. 718.11 Crore as against Rs. 484.89 Crore registered during the corresponding period, in the financial year 2015-16. The Company has achieved a net profit worth Rs. 201.83 Crore for the half year ending as on 30.09.2016, with grant of Rs. 345 Crore received from Government of India as Revenue Grant in Aid. There has been marked improvement in all sectors, be it the financial health, sales, execution of projects or contribution. The year marked the foundation for implementing Company's revival plan through taking up several new projects in various plants of ITI. The remarkable improvement in the turnover is due to Government support and with the new projects.

Annual Surveillance Audit of ISO 9001:2008 at Naini Plant

At Naini plant, Annual Surveillance Audit was conducted from September 19 to September 20, 2016. Shri Pradeep Pande, GM-N, Unit Head inaugurated the audit in the presence of senior officers, internal auditors and auditees. Shri Vijay Mathur, External auditor from NVTQC, Bangalore briefing the requirements, appreciated the efforts carried out by Naini plant to maintain the system as per ISO norms and

recommended the Recertification of ISO 9001:2008 for the plant.

National Safety Awards Conferred on ITI Raebareli

ITI Raebareli plant has been conferred with the National Safety Awards for Outstanding Performance in Industrial Safety for the Performance Year 2014 for maintaining consistent safety standards. The National Safety Awards and Certificates was received by Shri P K Gupta, CMD, ITI from Shri Bandaru Dattatreya, Hon'ble Minister of State

(Independent Charge) for Labour & Employment, Government of India on September 16, 2016 at the Awards Ceremony held at Siri Fort Auditorium, New Delhi.

ITI's customary practice of maintaining 'Safety First' at its establishments has been recognized by Government of India. Raebareli plant has received the Awards and Certificates in two schemes - 'Runner-UP' for achieving Lowest Average Frequency Rate and 'Runner-UP' for achieving Accident Free Year during the Performance Year 2014.

Training Programme on 'Electronics Switching System Manufacturing and Testing' at Mankapur

A two-day training programme on 'Electronics Switching System Manufacturing and Testing' for Lecturers of various Polytechnic Colleges of Uttar Pradesh was conducted from 12.09.2016 to 16.09.2016 at ITI Mankapur, EDC Auditorium. Shri A K Bajoria, AGM-MKP, Unit Head, Shri C B Verma, DGM-Q&CD and Shri L K Verma, Training Head, IRDT (Institute of

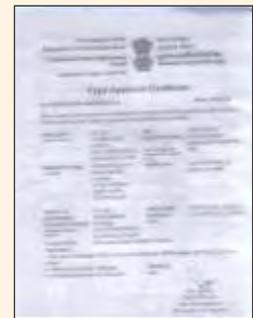

Research, Development and Training), Kanpur jointly inaugurated the programme by lighting the 'Deep' in the presence of Senior Officers of ITI, Faculty members of training programme and participating Lecturers of various Polytechnic Colleges.

Several Lecturers of various Polytechnic Colleges of Uttar Pradesh participated in the programme. The main purpose and objective of the training programme was to update them with latest technology and facilitating them to upgrade the skills of the students. The training programme also generated revenue to the organization. Special training on various topics such as Electronics Switching System Manufacturing and Testing, Switching and Signalling (OCB-283, CSN and C-DOT), Leaded Assembly, SMT, ICT and Overview of GSM were imparted to the Lecturers.

Type Approval Certificate for Raebareli

ITI Raebareli plant has received Type Approval Certificate from DoT, TEC (Telecommunication Engineering Centre) for C-DoT based OLT-5X and ONT-11 on October 28, 2016. The validity of the Certificate is for 5 years. The Company shall be able to supply equipments to BBNL, BSNL, RAIL TEL, PGCIL and other FTH service providers based on the conditions of their respective tenders.

Workshop on 'Capacity Building on Environmentally responsible Management of E-WEEE'

A two-day Workshop on 'Capacity Building on Environmentally responsible Management of E-Waste Electrical and Electronics Equipments (E-WEEE)' was jointly organized by ITI Mankapur and NIELIT, Gorakhpur from 22nd September to 23rd September 2016 at ITI Mankapur, EDC Auditorium. Shri A K Bajoria, AGM-MKP, Unit Head, Dr. A K D Dwivedi, Executive Director, NIELIT, Gorakhpur jointly inaugurated the programme by lighting the 'Deep' in the gracious presence of Senior Officers, participants from NIELIT, Gorakhpur. Shri C B Verma, DGM-Q&CD welcomed the gathering. Shri A K Bajoria, AGM-MKP, Unit Head was the Chief Guest, addressed the

participants of the workshop and stressed on the importance of management of E-WEEE. During the workshop Shri Anurag Govind Rao, Scientist-C and Shri Y S Chauhan NIELIT, Gorakhpur made presentations on E-Waste Electrical and Electronics Equipments (E-WEEE). Electrical and Electronics Equipments (EEE) has brought metamorphosis changes in organizations, industries, economics and life. Electrical and Electronics Equipments (EEE) after life cycle completion become useless and obsolete, apparently called as 'Electronic waste' or 'E-Waste' causing adverse human health effects and environment pollution. The workshop was organized with the purpose and aim to impart in depth knowledge and process involved in management of E-Waste, handling, disposing in an eco-friendly manner. In the workshop topics discussed related to skill development in the field of E-Waste management, disposal of waste in an eco-friendly manner, calculation of depreciated values of EEE etc. The workshop concluded with vote of thanks by Shri Sushil Kumar, DM-EDC.
