The Hindu Bureau
BENGALURU

ITI Limited, the country's first PSU post-independence and telecom manufacturing company, has received an order worth ₹300 crore from Bihar Renewable Energy Development Authority (BREDA) for supply and installation of 1,00,000 units of Solar Street Light Systems to Bihar State government.

According to a statement by the PSU, its Naini Plant, which has been manufacturing solar panels for the last six years, has received an order for Supply & Installation of 1,00,000 units of Solar Street light Systems.

आईटीआई लि. को बिहार में सौर स्ट्रीट लाइट सिस्टम के लिए 300 करोड़ रु. का ऑर्डर मिला

बेंगलूरु / नैनी / दक्षिण भारत। प्रमुख दूरसंचार विनिर्माण कंपनी आईटीआई लिमिटेड को बिहार अक्षय ऊर्जा विकास प्राधिकरण (बीआरईडीए) से बिहार सरकार को 1,00,000 सौर स्ट्रीट लाइट सिस्टम की आपूर्ति और स्थापना के लिए लगभग 300 करोड़ रुपए का ऑर्डर मिला है। यह उन 80,000 सौर स्ट्रीट लाइट सिस्टम के अतिरिक्त है, जिन्हें कंपनी वर्तमान में बिहार में बीआरईडीए के लिए क्रियान्वित कर रही है। बता दें कि आईटीआई लि. का नैनी प्लांट पिछले छह वर्षों से सौर पैनलों का निर्माण कर रहा है। उसे 'मुख्यमंत्री ग्रामीण सौर स्ट्रीट लाइट योजना' के तहत लगभग 300 करोड़ रुपए की राशि के 1,00,000 सौर स्ट्रीट लाइट सिस्टम की आपूर्ति और स्थापना का ऑर्डर दिया गया है। इस ऑर्डर में गोपालगंज, सीवान, समस्तीपुर, पूर्णिया, अररिया, गया, दरभंगा, पटना, कटिहार और खगड़िया जिले शामिल हैं।

इन प्रणालियों को बिहार अक्षय ऊर्जा विकास प्राधिकरण (बीआरईडीए) की देखरेख में स्थापित किया जाएगा। सौर स्ट्रीट लाइट सिस्टम के प्रमुख घटक सौर पीवी मॉड्यूल, सौर बैटरी, एलईडी ल्यूमिनरी, माउंटिंग स्ट्रक्चर और बैलेंस ऑफ सिस्टम (बीओएस) हैं। इस अवसर पर आईटीआई लि. के अध्यक्ष एवं प्रबंध निदेशक राजेश राय ने कहा, 'आईटीआई लिमिटेड बिहार सरकार के बीआरईडीए के साथ एक बार फिर साझेदारी करके बेहद खुश है, ताकि स्ट्रीट लाइटों को टिकाऊ सौर ऊर्जा से सुसज्जित किया जा सके। मुझे इस बात से बहुत संतुष्टि है कि बिहार सरकार ने अपनी विकास पहलों के लिए हमारी

क्षमता पर विश्वास जताते हुए आईटीआई की ओर पुनः कदम बढ़ाया है।'

उन्होंने कहा, 'हमारी टीम सर्वोत्तम प्रॉडक्ट और सेवाएं उपलब्ध कराने के लिए कड़ी मेहनत कर रही है। मुझे विश्वास है कि हम इस परियोजना को भी अपने ग्राहक की सर्वोत्तम अपेक्षाओं के अनुरूप क्रियान्वित करेंगे। इस अतिरिक्त ऑर्डर के साथ, हमने आईटीआई को एक विश्वसनीय सौर प्रणाली प्रदाता के रूप में स्थापित किया है, जो एक हरित कल के लिए प्रयास कर रही है।' राय ने कहा, 'आईटीआई लि. ने अब शहरी और ग्रामीण इलाकों में सौर स्ट्रीट लाइट सिस्टम की कुशलतापूर्वक आपूर्ति और स्थापना का भरोसेमद अनुभव हासिल कर लिया है।' हाल में आईटीआई लि. ने कोलकाता में सफल प्रदर्शन के बाद इलेक्ट्रॉनिक वोटिंग मशीनों की आपूर्ति के लिए पश्चिम बंगाल के राज्य चुनाव आयोग से अपना पहला ईवीएम ऑर्डर हासिल किया था।

Shares of ITI Ltd. surged as much as 9% on Tuesday after the state-run company said that it has won an order worth nearly ₹300 crore from Bihar Renewable Energy Development Authority (BREDA).

The order pertains to the supply and installation of 1 lakh solar street light systems to the state government of Bihar.

This order is in addition to the order for 80,000 solar street light systems that ITI is already executing for BREDA.

ITI's Naini plant, which has been manufacturing solar panels for six years has received this supply and installation order, which will cover districts like Gopalganj, Siwan, Samastipur, Purnia, Araria, Gaya, Darbhanga, Patna, Katihar and Khagaria, ITI said in its exchange filing.

"ITI Limited has now amassed dependable experience of efficiently supplying and installing Solar Street Light Systems in urban as well as rural hinterlands," ITI CMD Rajesh Rai said.

Recently, ITI had also won an order from the West Bengal State Election Commission to supply 500 Electronic Voting Machines (EVMs).

ITI is known for manufacturing telecommunication products, including electronic switching equipment, telephones and related devices, digital ratio, open wire bags, optical fibre equipment and digital exchanges.

ITI is one of the few PSUs that have a low float in the market, as the government holds a 90% stake in the company, while another 7.9% is held by a Special National Investment Fund, controlled by the government.

Shares of ITI are currently trading 5.6% higher post the order win at ₹299. The stock has been an underperformer this year compared to its other PSU peers, as it is still down 3% for 2024 so far.

ITI Limited secures Rs 300 cr order for solar street light systems in Bihar

ANI | Updated: Sep 10, 2024 12:48 IST

Bengaluru (Karnataka) [India], September 10 (ANI): ITI Limited, India's first public sector unit (PSU) post-independence and a leading telecom manufacturing company, has been awarded an order worth approximately Rs 300 crore from the Bihar Renewable Energy Development Authority (BREDA).

The order entails the supply and installation of 1,00,000 solar street light systems for the Bihar State Government. This latest project adds to the 80,000 solar street light systems that ITI is already executing in the state for BREDA.

The solar street light systems will be installed under the "Mukhyamantri Gramin Solar Street Light Yojana," an initiative aimed at improving rural infrastructure with sustainable energy solutions.

ITI Limited's Naini Plant, which has been manufacturing solar panels for over six years, will play a key role in this project. The installation will cover several districts, including Gopalgunj, Siwan, Samastipur, Purnia, Araria, Gaya, Darbhanga, Patna, Katihar, and Khagaria.

The project will be executed under the supervision of BREDA, with key components including Solar PV Modules, Solar Batteries, LED Luminaries, Mounting Structures, and Balance of System (BOS) elements.

Commenting on the partnership, Rajesh Rai, Chairman and Managing Director of ITI Limited, expressed his pride in collaborating with the Bihar Government once again.

Rai said, "ITI Limited is extremely delighted to partner with the Government of Bihar's BREDA again to provide street lights with sustainable solar energy. It gives me immense

satisfaction that the Bihar Government has come back to ITI by reposing faith in our ability for their developmental initiatives."

He added, "Our team has been working hard to provide the best-in-class products and services, and I am confident that we will execute this prestigious project too to the best expectations of our client. With this additional Order, we have established ITI as a reliable solar systems provider striving for a greener tomorrow. ITI Limited has now amassed dependable experience of efficiently supplying and installing Solar Street Light Systems in urban as well as rural hinterlands."

In addition to its success in the solar sector, ITI Limited has recently diversified its portfolio by securing its first order for Electronic Voting Machines (EVMs) from the State Election Commission of West Bengal. (ANI)
