gradation, Operation and Maintenance of the Middle Mile Network of the BharatNet Phase-3 Project on a Design Build Operate and Maintain (DBOM) Model.

Rajesh Rai, Chairman and Managing Director, ITI Limited, said, "We are ecstatic to have emerged as LI

for yet another Package of the prestigious BharatNet Phase-3 Project in the states of Arunachal Pradesh, Nagaland & Manipur. I feel this will be an inflection point for ITI and my whole team is excited to make the Company shine even brighter."

Rai added - "Emerging LI

for three big Packages of BharatNet Project in difficult terrains like Andaman and North East region is not only exciting but throws up many challenges for the Company, and my team is fully inspired to execute and deliver excellence yet again. ITI Limited has accumulated vast experience in executing optical fiber network (OFN) across India for defence and BharatNet projects."

Recently, ITI Limited won an order from the Bihar Renewable Energy Development Authority (BREDA) for the supply and installation of 100,000 numbers of Solar Street Light Systems to the Bihar government worth Rs 300 crores.

ITI Limited has manufacturing facilities in six locations -- Bengaluru, Naini, Raebareli, Mankapur, Srinagar and Palakkad -- along with an in-house research and development centre in Bengaluru and marketing, sales and projects offices spread across the country.

# आईटीआई लि. भारतनेट के तीन पैकेजों के लिए एल1 के तौर पर उभरी

बेंगलूरु/नई दिल्ली/दक्षिण भारत। प्रमुख दूरसंचार विनिर्माण कंपनी आईटीआई लिमिटेड अपने कंसोर्टियम भागीदार के साथ भारतनेट चरण-3 प्रोजेक्ट के पैकेज संख्या 15 के लिए सबसे कम बोलीदाता (एल1) के तौर पर उभरी है। इसमें अरुणाचल प्रदेश, नागालैंड और मणिपुर शामिल हैं। इसका ऑर्डर मूल्य 1,537 करोड़ रुपए है।

आईटीआई लि. 7 नवंबर को हिमाचल प्रदेश में पैकेज संख्या 8 के लिए और पश्चिम बंगाल तथा अंडमान और निकोबार द्वीप समूह में पैकेज संख्या 9 के लिए 3022 करोड़ रुपए के ऑर्डर मूल्य के साथ एल1 के रूप में उभरी है। इसके साथ ही आईटीआई लि. तीन पैकेजों (8, 9, और 15) के लिए एल1 के रूप में उभरी है, जिससे कुल ऑर्डर मूल्य 4,559 करोड़ रुपए हो गया है।

भारतनेट चरण-3 प्रोजेक्ट को सभी राज्यों और केंद्र शासित

प्रदेशों में फैले 16 पैकेजों में विभाजित किया गया है। बीएसएनएल ने भारतनेट चरण-3 प्रोजेक्ट के मिडिल माइल नेटवर्क के डिजाइन, सप्लाई, निर्माण, इंस्टॉलेशन, अपग्रेडेशन, संचालन और मॉनिटिंग के लिए डीबीओएम मॉडल पर निविदाएं आमंत्रित की थीं। इस अवसर पर आईटीआई लि. के अध्यक्ष और प्रबंध निदेशक राजेश राय ने कहा, 'हम अरुणाचल प्रदेश, नागालैंड और मणिपुर में भारतनेट चरण-3 प्रोजेक्ट के एक और पैकेज के लिए एल1 के रूप में उभरने पर बहुत खुश हैं। यह आईटीआई के लिए महत्वपूर्ण मोड़ होगा और मेरी पूरी टीम कंपनी को और भी अधिक सफल बनाने के लिए

उत्साहित है।' राय ने कहा, 'अंडमान और पूर्वोत्तर जैसे दुर्गम इलाकों में भारतनेट प्रोजेक्ट के तीन बड़े पैकेजों के लिए एल1 का उभरना न केवल रोमांचक है, बल्कि कंपनी के लिए कई चुनौतियां भी खड़ी करता है। मेरी टीम इसे पूरा करने के लिए प्रेरित है। आईटीआई लि. ने रक्षा और भारतनेट प्रोजेक्ट्स के लिए पूरे भारत में ऑप्टिकल फाइबर नेटवर्क को क्रियान्वित करने में व्यापक अनुभव हासिल किया है।'

हाल में आईटीआई लि. को बीआरडीडीए से बिहार सरकार को 1,00,000 सोलर स्ट्रीट लाइट सिस्टम की आपूर्ति और इंस्टॉलेशन के लिए 300 करोड़ रुपए का ऑर्डर मिला है।

ITI Ltd shares surged more than 12% on Monday, November 11, a day after the state-owned telecom equipment manufacturing company said it had emerged as the lowest bidder (L1) for three packages of the BharatNet Phase-3 project worth ₹4,559 crore.

As the L1 bidder, ITI Ltd will undertake Package No 15, which covers the northeastern states of Arunachal Pradesh, Nagaland, and Manipur, valued at ₹1,537 crore. It was also awarded Package No 8 for Himachal Pradesh and Package No 9 for West Bengal and the Andaman and Nicobar Islands, bringing the combined value of these packages to ₹3,022 crore, ITI said in a stock exchange filing on November 10.

The BharatNet Phase-3 project, spearheaded by BSNL, is a significant initiative to improve digital connectivity across India.

Total project value amounts to ₹ 4,559 crore, solidifying ITI's position as a key player in India's digital infrastructure expansion, the company informed the bourses.

Following the announcement, shares of ITI Ltd soared as much as 12.25% to hit an intra-day high of ₹340.8 apiece on the BSE. However, the stock pared some of early gains to trade 11.66% higher at ₹339 apiece on the BSE at 10:58 am. It was up 8.7% at 11.40 am.

The project is divided into 16 packages, spanning every state and union territory, and involves the design, supply, construction, and maintenance of a middle-mile network under a Design Build Operate and Maintain (DBOM) model.

"We are ecstatic to have emerged as L1 for yet another package of the prestigious BharatNet Phase-3 Project in the states of Arunachal Pradesh, Nagaland, and Manipur. This is an inflection point for ITI, and my whole team is excited to make the company shine even brighter," Rajesh Rai, Chairman and Managing Director of ITI Ltd, said.

He highlighted the challenges and opportunities associated with executing these projects in challenging terrains like the Andaman and North East region.

"Emerging as L1 for three major packages in these difficult terrains is not only exciting but also presents challenges for the company. My team is fully inspired to deliver excellence yet again," he added.

This major contract win follows another recent achievement for ITI Limited, which was awarded a ₹300 crore contract from the Bihar Renewable Energy Development Authority (BREDA) to supply and install 100,000 solar street lights in Bihar.

On November 8, ITI Ltd announced that a consortium led by the company, in partnership with a leading telecom manufacturing company, has emerged as the lowest (L1) bidder for a BharatNet project valued at ₹3,022 crore.

This project pertains to building the middle-mile network, covering Package No 8 in Himachal Pradesh and Package No 9 in West Bengal and the Andaman & Nicobar Islands.
