

## ITI Limited launches Cloud Services for Customers

ITI Limited launched its cloud services and solutions platform for central and state government entities, banks, public sector undertakings, small and medium enterprises and Start Ups in India. The newly launched Cloud services include Infrastructure as a Service (IaaS), Platform as a Service (PaaS), Software as a Service (SaaS) and Storage as a Service (STaaS). The Cloud facility is expected to achieve optimum utilization of the infrastructure and speed up the development and deployment of various ICT-IOT based applications for customers. It would also help government and non-government enterprises to
