PRESS RELEASE

ITI Limited Wins Orders worth Rs. 88 Crores in Odisha and Chhattisgarh

Bengaluru/Cuttack/Raipur: ITI Limited, country's first PSU post-independence and premier telecom manufacturing company has won various contracts worth around **Rs. 88 Crores** in the states of Odisha and Chattisgarh. The details as follows:

Cuttack Development Authority (Odisha)

ITI Limited has won contract from **Cuttack Development Authority** for procurement & installation of CCTV surveillance camera at different locations of Cuttack along with setup of traffic signal system worth Rs. 54 crores in the state of Odisha. The contract involves procurement of cameras, software/analytics/ANPR, hardware etc. along with maintenance support for 5 years. Further, the contract also involves techno commercial elements for installation of **Traffic Signal System**.

ITI Limited has also won a contract for **Land Intelligence Management System** through GIS based application from Cuttack Development Authority worth Rs. 23.05 Crores. The contract involves implementation of Land Intelligence Management System through GIS based application within Bidanasi Development Project Area, and implementation of Location-wise Property Map of Cuttack Development Authority using Ground Penetrating Radar (GPR) Technology in CDA Plan Area.

Chhattisgarh Infotech Promotion Society (CHiPS) (Chhattisgarh)

ITI Limited has won a contract from Chhattisgarh Infotech Promotion Society (CHiPS) for Implementation/Upgradation of WLAN/LAN Infrastructure at Mantralaya and HoD Bhawan at Nava Raipur in Chhattisgarh worth Rs. 11.72 Crores.

Speaking on this occasion, **Mr. Rajesh Rai, Chairman and Managing Director, ITI Limited** said – *“We very glad to bag these new contracts from Governments of Odisha and Chhattisgarh where we will be involved in aiding the state Governments in strengthening their digital infrastructure for providing efficient citizen services. With immense pride, I would like to state that ITI Limited is now seen as reliable partner by the state Governments to provide the whole spectrum of Information and Communications Technology (ICT) services to strengthen their e-governance initiatives.”*

Mr. Rai added – *“Our team is very excited and highly motivated to work on these contracts as always and I am confident that we will deliver them ahead of time. We hope that our work will help the state Governments in providing best in class e-governance services.”*

ITI Limited has amassed rich experience in helping state Governments in their e-governance initiatives, and is currently executing *Aaple Sarkar Seva Kendra (ASSK)* project in Gram Panchayats (ASSK-GP) of Maharashtra state. ITI Limited is also currently executing Wi-Fi & LAN contract from Sambalpur University in Odisha providing seamless internet and intranet access across the campus.
